Recorded**

Expand Trail Inventory

→ Conditions of Satisfaction

Create a network of trails to link neighborhoods to recreational areas, historic sites and local commercial destinations

- The County interacts with developers and property owners to identify and develop future trail corridors and greenspace
- Identified four opportunities:
 - Daily Property linking the Park to the Connector Trail
 - Crozet Park to the Square
 - Old Trail (Creekside) to Jarmans Gap
 - Connector Trail to Cory Farms (Route 250)
- No progress to report

✓ **Property-Rights Issues
are Complex**

Maintain Trail Inventory

→ Conditions of Satisfaction

Preserve existing multi-use trails and promote access for passive recreational activities

- Completed regular mowing (County resources) and pruning
- Installed directional trail signs
- Built and delivered 5 benches
- Built a major bridge linking Crozet Park to the Connector Trail
- Improved Beaver Creek stream crossings
- Inventoried and maintained all equipment

✓ **Approx. 6 Miles of
Trails Maintained**
